

2.4 **Decision:** Keeping in view the necessity to finalize the above criteria for scrutinizing and approving the application under IDLS sub-scheme, the Committee, based on the above suggestions finalized the following criteria for employment and production criteria for providing assistance under IDLS sub-scheme:

Particulars	Category	Approved Criteria (@50% of earlier scheme)
Employment Generation Criteria	Footwear	125 new jobs per crore rupees
	Garment/ Saddlery	125 new jobs per crore rupees
	Tannery	175 new jobs per 5 crore rupees
	Component and Accessories	75 new jobs per crore rupees
Production Capacity	All units involved in Leather and Footwear Sector	5% growth (The growth would be calculated based on production before installation and after installation of machines as per Annexure-III)

Note:-The above criteria shall be applicable for all categories of unit. Hence the unit shall comply either Employment Generation criteria or Production Capacity criteria for consideration of their application of financial assistance under IDLS sub-scheme.

Meeting ended with the Vote of thanks to the Chair.

Format for enhancement of production capacity

To be submitted by the Firm's statutory CA on their official stationery as per the Balance Sheet.

Particulars	Unit of measurement	As on 01.01.2020		Before installation		After installation		Differential / Demonstrable increase		Differential / Demonstrable increase	
		Production capacity Quantity (A)	Turnover (Value) Rs. in Cr. (B)	(C)	(D)	(E)	(F)	(G) E-C	(H) F-D	(I) %	(J) %
